

## Health & Safety Policy

Broxap is a family-owned business specialising in the design, manufacture, supply and installation of a wide range of bespoke and standard products including:

- Street furniture (bollards, cycle parking, litterbins, post and rail systems, seating);
- Shelters, canopies and walkways (including shade sails and tensile structures);
- Wooden play equipment;
- Sports equipment, sports hall and gymnasium equipment, cloakroom furniture;
- Outdoor fitness equipment.

Broxap has a duty of care to ensure the Health, Safety and Welfare at work of employees, contractors, visitors and any members of the general public who may be affected by our works. This is achieved through the administration of an integrated business management system which satisfies the requirements of BS OHSAS 18001, and all applicable legislation and regulations.

Broxap senior management are fully committed to:

- Ensuring this policy is appropriate to the context of the organisation and that it is understood, implemented and maintained at all levels of the organisation;
- Preventing work-related injury and ill health by providing safe and healthy working conditions and controlling identified risks using the hierarchy of controls;
- Complying with legal duties, responsibilities and obligations under the relevant Health & Safety legislation, codes of practice and guidance notes that are issued by the HSE;
- Continuous improvement of the management system and enhancing Health & Safety performance;
- Setting, and monitoring performance against, Health & Safety targets and objectives;
- Providing adequate information, instruction, training and supervision for employees;
- Participation and involvement of employees, and providing a suitable forum for regular consultation on matters regarding Health & Safety;
- Review, and where required update, this policy statement on a regular basis.

We will openly communicate our Health & Safety policies, procedures and performance to all interested parties.

  
John Lee
