

## Environmental Policy

Broxap is a family-owned business specialising in the design, manufacture, supply and installation of a wide range of bespoke and standard products including:

- Street furniture (bollards, cycle parking, litterbins, post and rail systems, seating);
- Shelters, canopies and walkways (including shade sails and tensile structures);
- Wooden play equipment;
- Sports equipment, sports hall and gymnasium equipment, cloakroom furniture;
- Outdoor fitness equipment.

We strive to provide quality products and services that consistently meet or exceed the expectations of our customers, whilst operating in an environmentally responsible manner. This is achieved through the administration of an integrated business management system which satisfies the requirements of BS EN ISO 14001:2015, and any applicable environmental legislation and regulations.

We expect everyone associated with Broxap to think about their role in managing their activities to ensure that they have a minimal impact on the environment.

Broxap senior management are fully committed to:

- Ensuring this policy is appropriate to the context of the organisation and that it is understood, implemented and maintained at all levels of the organisation;
- Reviewing and understanding the current and potential impacts of our activities, products and services, including abnormal and emergency situations;
- Complying with all relevant legislation, regulations and codes of practice;
- Continuous improvement of the management system and enhancing environmental performance;
- Setting, and monitoring performance against, environmental targets and objectives;
- Reducing waste through re-use and recycling wherever possible;
- Protecting the environment, including preventing pollution by ensuring all unavoidable waste is disposed of in a safe and responsible manner;
- Ensuring all timber is sourced from sustainable, managed sources.

We will openly communicate our environmental policies, procedures and performance to all interested parties.
